## COMMUNITY SCHOOLS

Seymour Community School Corporation Families,

Next Monday, January 11, 2021, Seymour Community Schools will return from winter recess. The instructional model in place before break, grades 6-12 hybrid and grades KG-5 in-person, will be the plan we will follow until further notice.

Jackson County remains in “Red” designation by the Indiana State Department of Health. In addition to this information, we have several other community and internal conditions we monitor. As always, the safety of our students and staff remain our top priority and we will continue to monitor the COVID-19 data on a daily basis.

Our goal is to get all students back to school for full-time, in-person, instruction this semester. As always, we will update you as things progress.

The change of the calendar to 2021 brings us new hope and new opportunities. We look forward to this journey with you and your family.

Thank you for your patience and support during this pandemic.

Sincerely,

Brandon Harpe  
Superintendent  
Seymour Community School Corporation
